Summary

I'm an undergraduate student pursuing a Bachelor of Computer Applications at PSG College of Arts & Science, passionate about building scalable and user-friendly web applications.

With hands-on experience, I focus on building efficient and scalable applications using React and .NET technologies including C#, Blazor, and ASP.NET, with a strong interest in frontend-backend integration and modern UI development. I enjoy crafting responsive, intuitive web interfaces and building seamless full-stack solutions to real-world problems.
